# Helen Doron Anthem - Lyrics

Written and performed by **Ella Doron**

Video Production by **Oren Emanuel**

Children of the world unite  
We're standing tall and proud  
Reaching out to one another  
Circling the world round

Our minds are bright  
Our hearts are open  
Adventures every day  
Cause life's a party  
Big or small  
We all have something to say

Helen Doron Family  
we sing across the globe  
Can you hear us now?  
Make a sound!  
Because we care  
Helen Doron!  
Because we dare  
Helen Doron!  
Because we learn  
Helen Doron!  
Lala lalalala lala

Change surrounds us  
Oh so fast  
But some things stay the same  
Our families, friends and neighbors  
They all know our names  
We are a bridge  
Hand in hand  
Connecting all as one  
We speak to one another  
All together we have fun

Helen Doron Family  
we sing across the globe  
Can you hear us now?

Make a sound!  
Because we care  
Helen Doron!  
Because we dare  
Helen Doron!  
Because we learn  
Helen Doron!

We are a team  
Helen Doron  
Our smiles beam  
Helen Doron  
We dare to dream  
Helen Doron  
Lala lalalala lala

We care about the planet  
And all its living things  
The animals, the plants  
The skies and the seas  
Compassion is the way,  
There's so much we can do  
We know it's up to us  
To make this future true  
Lala lalalala lala

Because we care  
Helen Doron!  
Because we dare  
Helen Doron!  
Because we learn  
Helen Doron!  
We are a team  
Helen Doron!  
Our smiles beam  
Helen Doron!  
We dare to dream  
Helen Doron!
